# Beast Quest

## Treasure Fever By Andy Griffiths

Mr. Brainbright says: When you're not breathing, it's very important not to fall out of the window.

Mr. Brainbright is a teacher at Northwest Southeast Central School. He teaches Grade Five and in his class is a student called Henry McPhriville who likes telling stories.

That's me.

I am Henry McPhriville and this is my latest story.

It's about pirates, buried treasure, a very cross teacher, sitting on banana skins and... falling out of windows.

I hope you like it.
